"Connected, Prosperous and Empowered Community"

**Ayooob Vali Ahmed Akuji**  
World President - WBVF

### **Assalamu-Alaikum Warahmatullahi Wabarakatu.**

My beloved community members,  
Greetings to one and all.

The World Bharuchi Vohra Federation (WBVF) was formed on February 19, 2019 and this year marks the fourth anniversary of the federation. I feel delighted to mention here some of the great achievements we have made so far.

During the period under review, WBVF undertook several projects aimed at achieving our dream of a “connected, empowered, educated, and prosperous community”.

We started this odyssey from our motherland India. Our achievements are highlighted below.

The first year of WBVF was spent on strategically planning, creating networks and assigning coordinators globally.

In the second year, our first iconic project was launched : Scholarships for worthy and indigent students. Alhamdulillah, In the last three years, we empowered 2102 bright students by giving them scholarships to the tune of Indian Rupees 23 millions. It is a tremendous achievement indeed and one that is still growing.

Furthering our efforts to provide an all-inclusive education, other projects like the Commerce Championship, Competitive exams for government jobs, TET (Teachers Eligibility Test), and primary education reforms were launched. Each of these projects have brought targeted results and will continue to do so until the final goal of “Vision 2025” is achieved.

The “Making 100 Billionaires” is a unique and innovative project conceptualized to connect the youths of our community and it was launched under the mentorship of our Board of Directors member Janab Faruk G. Patel who himself is a successful entrepreneur.

We have also done a soft launch of two very useful projects, namely, a diagnostic centre that includes research in women diseases and awareness programs, and a matrimonial project.

The WBVF’s credit and Co-operative society project aimed at inculcating saving habits and providing interest free loans which resulted in economic empowerment of the lower and middle class. This project has taken off very successfully and is gradually generating positive results.

The last but not the least. A great land mark project for Allah’s special children. For this purpose, a multi therapy centre was set up where 105 intellectually challenged children are currently getting therapy. The result has been so encouraging that we are now gearing up to initiate a huge centre of excellence project that is internationally accredited.

On the international scene, the UK chapter is taking off steadily. WVUK played a vital role by collaborating with WBVF in tackling the Covid-19 pandemic successfully. London and Leicester blocks further supported this cause by conducting several community welfare programs.

Awareness drive is underway in the Middle East region and the African continent.

Based on our success of the last four years, we firmly believe that with the grace of the Almighty Allah SWT, we will achieve many new milestones even in the toughest of times. I believe that we face transformative moments in life today especially due to prolonged effect of Covid-19 in our communities for years to come.

It would be pertinent to mention here that WBVF played an exemplary role in helping patients, hospitals and poor people during Covid-19 pandemic.

I remain indebted to all our donors, board members, staff members, Team members and well-wishers and hope for your continued generous support and duas.

Together we have accomplished incredible, life-changing goals globally but that good work always begun with you. Your kindness and services unite our community in both the good times and in times of great need. Be assured that there always are the dedicated, hardworking and committed WBVFians at a times of great need anywhere globally.

# FRESH BREEZE

In 2019, some visionary people got together and formed an organization with huge sacrifices for big dreams and hopes. This organization came to be known as World Bharuchi Vahora Federation. It is said that a particular community lived on the belt stretching out from river Narmada to Mahisagar, whose food, clothes, language, religion and culture are exactly the same. It is said that this community is now spread all across the world. That's why they all have vast experience, their history is more than 800 years old, and also they are known for success in business and generous charity all over the world. Yes, we are talking about the finest community of the world. i.e. BHARUCHI VAHORA PATEL community. By creating a networking platform for all these people, this organization started its golden journey with the dream of creating **connected, prosperous and empowered community**. As soon as it started, the command of this finest, loveliest, caring, loving compassionate and most beautiful organization was unanimously in a single voice given in the safe hands of Haji Ayyub Akuji of Zambia. Under his able efficient, emphatic and exemplary leadership WBVF made grand start and was able to register roaring success in the beginning years itself.

*MashaAllah, "World Bharuchi Vahora Federation" known as WBVF has been launched today at Rang Inn Hotel Bharuch in presence of 110 representatives from Africa, New Zealand, USA, Canada, Middle East, UK, Mumbai, Surat, Baroda, Ahemdabad, Jambusar, Amod, Vagara and Bharuch taluka and city. Dated : 19th February, 2019.*

The main focus of the organization has been education. WBVF believes that an education makes a strong person, strong person makes strong society culminating in strong nation. Hearing the name of this organization started in 2019, the poor get a courage and new hope. ### Achievements:

Delightfully, 13 students successfully passed the CA Foundation exam in December 2022 on their first attempt, with an additional 8 students succeeding in the June 2023 exam. These students have now progressed to the CA Intermediate level.

### Expansion and Outreach:

## LADIES WING

The World Bharuchi Vahora Federation Ladies Wing, recognizing the distinct role of women in society, initiated the “Uruj” project to empower and uplift women within the community. This comprehensive endeavor involved collaboration with scholars, professional psychologists, and gynecologists to educate women on achieving a balance between their professional and personal lives. Extensive efforts were made to enhance awareness of women’s health, including organizing breast cancer awareness camps throughout the Bharuch district. Gynecologists provided valuable insights into personal health, fostering a heightened consciousness among women about their well-being and lifestyle choices.

Addressing not only physical but also mental health, the Ladies Wing established a counseling center, offering a supportive environment where women could seek guidance and share their concerns. The initiative aimed at preventing feelings of isolation by encouraging women to connect with one another.

Furthermore, the Ladies Wing undertook initiatives to promote financial independence among women. Programs were implemented to educate them about home industries, instill motivation through entrepreneurship insights, and help identify and develop their unique capabilities. The overarching goal was to cultivate a sense of individual identity and empower women to strive for personal and professional success.

Looking ahead, the World Bharuchi Vahora Federation Ladies Wing is committed to organizing future projects that focus on providing women with training to align their lives with their intellectual abilities. This visionary approach stems from the belief that preparing women in accordance with the principles of Constitution of India will pave the way for the advancement of both the present and future generations. The remarkable efforts undertaken by the WBVF Ladies Wing under the “Urooj” project signify a dedication to empowering women and ensuring progress in their worldly pursuits while remaining resilient.

સંસ્થા દ્વારા હાથ ધરાયેલ સરવે મુજબ આજે પછાત વર્ગના મનો દિવ્યાંગ બાળકો એવા છે જેમના માં બાપ એમને ધરમાં જ બેસાડી

રાખે છે. ખાસ કરીને ગામગ્રામોમાં રહેતા વાલીઓ આવા બાળકો ની વિશિષ્ટ શાળામાં તેમને મોકલવા નથી. પરિણામે આવા દિવ્યાંગ

બાળકોના વિકાસની જગ્યાએ એમની યાતનાઓ વધે છે. પોતાના સામાજિક દાધિત્વ ધ્યાનમાં રાખી બાળકોની સેવામાં વર્લ્ડ ભરૂચી વહોરા ફેડરેશન હવે અત્યાધુનિક તાલીમ કેન્દ્ર શરૂ કરી રહ્યું છે, જેમાં ટેકનોલોજીના સહયોગે વૈજ્ઞાનિક પદ્ધતિથી આ વિશિષ્ટ બાળકોની વિશિષ્ટ જરૂરિયાતોને ધ્યાનમાં રાખી વ્યક્તિગત ધોરણે તાલીમ આપી આત્મસન્માનભર્યું જીવન જીવવા તૈયાર કરવામાં આવશે.

## WBVF - INDIA CHAPTER - PRESIDENT MESSAGE

Dear Brothers & Sisters,

Assalamu Alaikum V. V.,

My heart fills with immense pleasure as I perceive the progress being made at WBVF.

The abode of bliss is guaranteed to those who accept the message and fulfill the needs of others 13:29 (Al-Quran)

The above verses from holy Quran precisely explain WBVF's philosophy. In the process of fulfilling needs of the underprivileged of the Ummah, Alhamdulillah, we have been able to lift ourselves up from self-pity and indifference to involvement and deliverance. The journey of the last 4 years has been one of Dedication and Inspiration. We dedicated ourselves unwaveringly to our twin objectives of Education & Empowerment and in the process inspired Thousands of Individuals & Families Alhamdulillah. The new year herald's new challenges and new beginnings and we as a team have to lift ourselves up & RISE, inshaAllah. WBVF's Projects such as Mission Everest for Scholarships, Commerce Championship, Mamta Rehab Center, Credit and Co operative society, Competitive exams, Matrimonial, Primary Education reforms, Diagnostic center, Youth and Ladies Empowerment as well as others, are each designed to lift the community from poverty and ignorance to a higher level where they can play an important part in Nation Building. We need to increase our tempo and extend our reach further in 2023 so that more and more people are lifted in sha Allah! The current year must be better than the previous ones...Our further target this year and in the years to come is to increase our penetration in all 10 blocks of India, whereby the neglected and the underprivileged are raised on par with the other Districts. We must strengthen our block teams in these districts, which are the backbone of WBVF Network in the Country. We must increase and strengthen our Partnerships with Organisations & Institutions, whether Corporates, Govt. Departments or NGOs or whether they are Schools, Colleges & Madrasas, each will be a point of delivery as well as the CHANGE that we are looking for in sha Allah! It's NOW and It's US...Let each of us be that small Bird who was helping in her own small way to extinguish the Fire lighted by Namrood to burn Hazrat Ibrahim (A.S.). Let each of us like the bird, also put up to Allah SWT on the Day of Judgement that "I wanted to enter my name in the list of people who were doing good work & gave their resources for the welfare of the Ummah of our beloved Nabi, Mohammed Rasulullah (SAW)". InshaAllah!The future of our community and its progress will depend on the work, however small or big, put in by every individual associated with WBVF. If we all work towards our set GOALS of Vision 2025 with greater efforts, energy and enthusiasm, the future will belong to the Ummah, InshaAllah! May Allah bless each one of you with Jazay e Khair in this World as well as Akhirah!
