Assalamualaikum W.W.,

Dear Community Members,

The year 2024 was a landmark year for the India chapter of the World Bharuchi Vahora Federation (WBVF), marked by transformative initiatives that positively impacted the lives of over 30,000 people worldwide. Staying true to our mission, education-led empowerment remained at the core of our efforts. Among our most notable accomplishments was acquiring land to establish a state-of-the-art community center, a step forward in fostering holistic development and creating a hub for community growth.

Internationally, we achieved significant milestones, including the swift opening of an FCRA account within just four months and drafting our Constitution were major milestones.

As we expand, the need for offices in global chapters has become evident. Together, we are shaping a brighter future and creating a better world.

With Warmest Regard,

WBVF : A Community Built on Faith, Compassion, and Unity

The World Bharuchi Vahora Federation (WBVF) unites the global Bharuchi Vahora Patel community through Islamic values of brotherhood, service, and knowledge. Guided by Prophet Muhammad's (PBUH) teaching, "The best among you are those who bring the greatest benefit to others," WBVF empowers members to thrive with dignity.

We uplift the vulnerable through initiatives like Mission Everest and Commerce Championship, removing financial barriers to education, fulfilling Allah's (SWT) command: "Read in the name of your Lord who created" (Quran 96:1).

The Mamta Rehab Centre nurtures those with special needs, ensuring inclusivity, while the Credit & Co-operative Society, adhering to Islamic principles, provides interest-free financial support.

The Ladies Wing empowers women with health, spiritual, and educational guidance, embodying the Prophet's (PBUH) call to "Seek knowledge from the cradle to the grave." The Common Service Centre connects the community to essential services, reinforcing social justice.

By establishing WBVF offices in every town with a significant Vahora population, we aim to create a network of support and brotherhood, fostering both worldly success and spiritual well-being. Through every act of service, we seek the pleasure of Allah (SWT), hoping to follow the Prophet's (PBUH) example of kindness and generosity to all.

MISSION EVEREST: A JOURNEY TOWARD EMPOWERMENT AND KNOWLEDGE

Imagine a community where every child, regardless of their financial background, has the opportunity to become educated, self-reliant, and empowered. This is the vision behind Mission Everest, a transformative initiative by the World Bharuchi Vahora Federation (WBVF).

WBVF's goal is to build a strong nation by empowering individuals, strengthening society, and advancing through education. At the heart of WBVF's mission lies the belief that education is the foundation of personal, societal, and national development. Inspired by the sacred command from the Quran, "Iqra" (Read), this initiative is dedicated to spreading the light of knowledge. WBVF aims to ensure that no child from our community is deprived of education due to financial challenges or lack of guidance.

WBVF is dedicated to education, helping students secure admission to prestigious government institutions by preparing them for competitive exams like NEET and JEE. Many children from our community are now studying in government medical colleges. Additionally, through government scholarships and WBVF's CSC centers, we have secured over ₹10 crore in funding under the Right to Education (RTE) initiative.

Mission Everest is about more than education—it's about transforming lives, strengthening the community, and fulfilling the divine mandate to seek knowledge. Join us in uplifting the next generation, ensuring no child is left behind, and creating a future where every child can reach their full potential.

Scholarship Program

The WBVF Mission Everest project supports underprivileged and orphaned students, ensuring financial barriers don't hinder their education. Through scholarships, WBVF empowers these children to continue their studies and achieve their dreams.

Scholarship Impact (2021-2024):

- Students Supported: 3,000+
- Courses Covered: 25+
- Amount Distributed: ₹3.40 crore

This initiative reflects WBVF's dedication to investing in the future of our community by fostering the education of its youth.

“LIGHTING THE PATH TO SUCCESS.”
